HYDROFEST 2016

ABERDEEN UNIVERSITY

Wednesday 20th April 2016

Surveying in the Offshore Oil & Gas Industry

The Hydrofest program is designed to provide an understanding of all aspects of Hydrographic Surveying for the offshore oil and gas industry. Topics include surface and underwater positioning, sensors, pipeline and site surveys, construction and inspection. Presenters are drawn from the major operators, contractors and suppliers. This day is ideal for engineers, project managers and professionals in the offshore industry who are involved with survey operations or their associated data, as well as those considering Hydrographic Surveying as a career.

Contact (thsis@outlook.com) to book a place. Cost is £75 (free to full-time Students in a Surveying or marine related subject) and includes tea/coffee at breaks and lunch.

Stand space (pop-up) is available Free of Charge.

Registration, coffee break and lunch will be in the Hub at the following address: The Hub Elphinstone Road Aberdeen AB24 3TU

Presentations will be held in room MT1 in the Meston building

THE HYDROGRAPHIC SOCIETY IN SCOTLAND is *registered charity with the aim of promoting knowledge, skills and techniques both within the hydrographic industry and to the Oil & Gas industry.*
